The views are jaw dropping with rows of floor to ceiling semicircular windows bending and arching towards overlapping Tampa Bay, Straub Park, Albert Whitted Airport, Marina, & Yacht Basin vistas from this 19th level DIRECT BEACH DRIVE 2 story Penthouse Home in the St. Petersburg sky, where no less than 4 terraces capture an eagle's sense and sensibility. The interior impressions? Striking, awe-inspired, and thought provoking designed by the tastemaker who took two years of his life, and about \$1.5 million dollars to reinvent, rebuild, and renovate the joint. A sublime 5,000 square foot blueprint is catapulted to another level, where MODERN is more, and the use of glass, ambient lighting, custom profusion doors, sweeping ART LEADED GLASS staircases take center stage, and why wouldn't they? The aforementioned staircase alone was \$250k. To further this forever timeless house and condo home a newly installed, curated and finished custom all wood HERRINGBONE FLOOR(\$200k) punctuates the stunning blend that is modern, yet transitional throughout. Envious by its very conception there are: 4 SELF- CONTAINED BEDROOMS, EACH WITH EN-SUITE, IF NOT MULTIPLE EN SUITES AND WALK IN CLOSETS. BUT let's talk about the PRIMARY SUITE, imagine a LOUNGING ARENA w/MORNING
